**FRANKLIN D. ROOSEVELT PRESIDENTIAL LIBRARY TO HOST
NATIONAL 76TH BIRTHDAY PARTY FOR SOCIAL SECURITY
& WORLD'S FIRST CALENDAR SIGNING, ON AUGUST 14TH AT 2:00 PM**

CROTON-ON-HUDSON, NY: The Franklin D. Roosevelt Presidential Library & Museum, in Hyde Park, NY, will host a National 76th Birthday Party for Social Security, and the world's first calendar signing, on Sunday, August 14, 2011 at 2:00 PM.

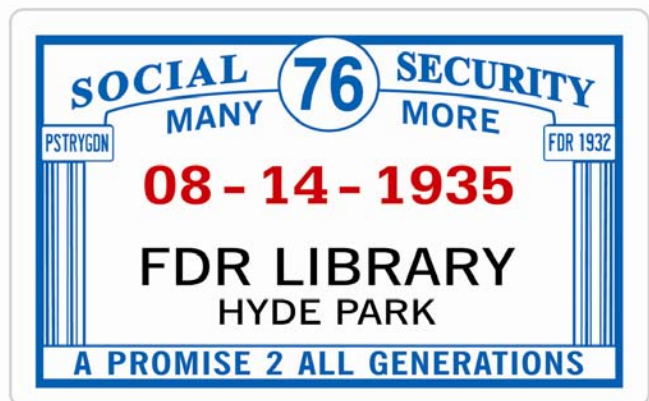

President Roosevelt signed the Social Security Act into law on August 14, 1935. To celebrate 76 years of Social Security preserving American's families, Dr. Christopher Breiseth, the former president of the Roosevelt Institute, will deliver an "author's talk" about the new book he co-edited with Kirsten Downey, *A Promise to All Generations: Stories & Essays About Social Security & Frances Perkins*.

At the National 76th Birthday Party for Social Security, Stefan Lonce will read his story, "Social Security Preserved My Family," published in *A Promise to All Generations*. Lonce, who is the editor of *The Montauk Sun* (a free community newspaper distributed on the East End of Long Island), is the author of the *DRIVING WITH FDR 2012 COLLECTIBLE CALENDAR*, which includes a 4 page **MINIBOOK™** that tells how being able to drive, after he was paralyzed by polio and could no longer walk, affected FDR, and changed world history.

Lonce also designed the icing for 2 birthday cakes to resemble a Social Security card, with 10 differences between the 2 designs. The Pastry Garden, in Poughkeepsie, NY (www.ThePastryGarden.com) will bake, and donate, these 2 cakes:
