**MISSION STATEMENT**

**HOW THE GLOBAL PASSOVER SEDER™ WILL PROMOTE TOLERANCE  
+ FIGHT BIGOTRY AGAINST JEWS + OTHER MINORITIES IN 2020**

**BY STEFAN LONCE + MH FRYBURG**

**THE GLOBAL PASSOVER SEDER™** on April 8, 2020, will be a huge multinational event in the USA, Canada, and Israel, featuring millions of seders held by Jews (who would invite non-Jews to their seders), mini-Seders held by non-Jews using supplemental materials we will provide, and the 2020 GLOBAL PASSOVER SEDER HEADQUARTERS SEDER (an actual seder to be held in Manhattan or Westchester at a venue to be determined). The 2020 GLOBAL PASSOVER SEDER will promote tolerance + fight bigotry against Jews + other minorities because familiarity can breed friendship... and banish contempt. **We are also adopting a new seder custom: we shall include a small dish of olives on the seder plate, because olives represent peace + tolerance!**

We – Stefan Lonce + MH FRYBURG – are writing a short (4-5) page explanation of the seder, entitled, “WHY PASSOVER MATTERS,” which would be read at the beginning of the seder, and a short (4-5 page) message, to be read at the end of the seder, which will memorialize the Jews who were murdered in the Holocaust, at the Tree of Life Synagogue in Pittsburgh, and throughout history, and which will also memorialize the many, many victims of senseless violence who have been murdered, including the congregants killed in the Charleston church murders, + the teachers + students killed in the Parkland, FL school shootings. “WHY PASSOVER MATTERS” will inspire listeners with the American value that all people are created equal, and that, in the words that are inscribed on the tombstone of Estelle Fryburg (MH’s mother), “WE MUST ALL RESPECT EACH OTHER, BECAUSE WE ARE ALL EACH OTHER’S COUNSINS.” We would post the **GLOBAL PASSOVER SEDER™** materials (including a poster designed by Stefan) online ([www.GlobalPassoverSeder.com](http://www.GlobalPassoverSeder.com)), which people could download, for free!

The **GLOBAL PASSOVER SEDER™** materials will also reference other religions and their connections to Judaism (e.g., that the Christian Last Supper was actually a Passover seder), and will explain how the story of Passover – that underdogs can win against vastly stronger foes, if they have great leadership (like that provided by Moses) and if their cause is just – is a universal story, which inspires everyone.

On April 8, 2020, the **2020 GLOBAL PASSOVER SEDER™ HEADQUARTERS SEDER** – an actual seder, when we shall read the “WHY PASSOVER MATTERS” supplemental materials – will be held at a venue in Manhattan or Westchester; the meal will be kosher. The sponsoring organization is the 4 A BETTER WESTCHESTER + NYS ASSOCIATION, INC. ([www.TakeBackOurFutureNow.org](http://www.TakeBackOurFutureNow.org)).

The **GLOBAL PASSOVER SEDER™** was inspired by an act of outrageous anti-Jewish bigotry expressed by a woman who attended a Town Hall held by Congressman Sean Patrick Maloney (“SPM”), in Putnam Valley, NY, on Sunday, 1-20-2019; we shall refer to that infamous woman, whose name we do not know, as **BIG BIGOT**. After SPM finished the Town Hall, **BIG BIGOT** was haranguing him with anti-immigrant rhetoric; among the things **BIGBIGOT** said was, “Everyone hates the Jews!” MH, who is Jewish, objected to **BIG BIGOT**’s bigotry, and said, “I am very offended by that remark!” ... which **BIG BIGOT** ignored, because she obviously thought that she had said nothing wrong! Astonishingly, Congressman Maloney said nothing in response to **BIG BIGOT**’s bigotry. We shall be writing about the **GLOBAL PASSOVER SEDER™** in our forthcoming book, *4 A NEW USA – THE ROOSEVELT/REAGAN WAY! – A CALENDRIAL MEMOIR*.
